

Thursday, April 25, 2013 | 6 - 9 pm

Harvard Medical School | 77 Ave. Louis Pasteur, Boston MA | Joseph Martin Amphitheater

THE MGH CENTER FOR LAW, BRAIN, AND BEHAVIOR &  
THE AFFECTIVE SCIENCE INSTITUTE AT NORTHEASTERN UNIVERSITY PRESENT

# Models of the Mind:

How Neuroscience, Psychology,  
and the Law Collide  
(And What it Means for 21st Century Justice)

Experts in neuroscience, psychology, philosophy, and the law discuss how changing ideas about how the human mind works could transform the justice system...or undermine it. Speaker remarks will be followed by an interdisciplinary panel moderated by Harvard Medical School's **Ed Hundert**.

**Randy Buckner, PhD**  
Professor of Psychology  
and Neuroscience at  
Harvard University;
