CLBB Joins the American Brain Coalition as a 2021 Academic Member

The Center for Law, Brain & Behavior is pleased to announce its 2021 academic membership in the American Brain Coalition.

[The American Brain Coalition](#) provides a unified voice and works to **ensure that policy that will ultimately benefit all of those interested in patient care and research** related to brain disorders and diseases has widespread support.

ABC membership **provides networking opportunities** among its diverse membership of patient, family, researcher, and clinician organizations.

ABC **tracks legislation and agency activity** and provides timely updates to ABC members. ABC also informs members of opportunities to weigh in on issues that affect their community.

ABC works with member organizations to **identify representatives of the patient and research scientist perspectives** to speak at Congressional Neuroscience Caucus briefings on Capitol Hill and other brain education activities.

ABC offers **educational webinars** to members on a wide range of topics that are of interest to the brain disease community.
