Law and Neuroscience Case Study: The Brain Story of George Smith

November 9, 2023 10:00 - 11:00 AM EST

Register at this [link](#).

November 9, 2023, 10:00 AM EST
Open Webinar

Two days left for our free webinar where experts from UNITAR, Maastricht University Faculty of Law, and the MGH Center for Law, Brain & Behavior will introduce our new joint Executive Diploma on Law and Neuroscience through the hypothetical "brain story" of George Smith, who during his life, struggles with different neurological challenges.

The experts will also explain how these conditions may influence our thinking about crime and legal responsibility.

Register now [here](#).
